**ALABAMA SEED DEALERS PERMIT - IN-STATE**

The Legislature of Alabama of 1963 enacted a State Seed Law, Act No. 424 (which became effective on January 1, 1964). Section 2-26-5 (Code of Alabama 1975) of this law requires that each person engaged in selling seed in Alabama shall secure an annual permit and pay the required fee for such a permit. The permit fee is based upon gross receipts received from the sale of seed in Alabama to retail seed dealers and farmers for the last preceding year.

Enclosed is an application for an Alabama Seed Dealer's Permit required by the State Seed Law. The application must be completed and returned to this office at the address below along with the required permit fees. The Seed Dealer's Permit will be valid until December 31, 2007. The Seed Dealer's Permit must be renewed for the calendar year of 2008. You will have until December 31, 2007 to do so. A check for the permit fee should be made payable to the Alabama Department of Agriculture & Industries. On the reverse side of the enclosed application is a schedule of the permit fees required to be paid for the annual permit.

Failure to obtain an Alabama Seed Dealer's Permit in accordance with the Code of Alabama 1975, § 2-26-3, will result in a monetary penalty as well as a 'Suspension From Sale' order.
